

## Every-One 3 Month Graduate Internship – CRM Developer

£1000 pcm, 28.5 hrs per week

Are you a graduate with great IT skills? Familiar with Microsoft tools and products? Could you design and build our first Customer Records Management system, to accepted Industry Standard? Can you work with us online and at our offices in Lincolnshire? If the answer to these is 'yes', you could be just the person we are looking for.

Every-One is a small, dynamic charity, supporting carers, based in Lincolnshire. We are holders of the East Midlands Small Charity - Big Impact Award 2020. You can find out more about us here: [www.every-one.org.uk](http://www.every-one.org.uk)

To help us strengthen our position for growth, we need you to build a CRM to integrate our data, improving our data management and reporting, with a single point of truth and saving us time.

We can offer you an excellent working experience within our small and friendly forward-looking charity. A friendly, skilled and enthusiastic team, we will provide you with solid line management support to help you get your project off the ground and see it through to completion, helping us achieve better data management, and helping you build your portfolio.
